TAXIS 17 TIMES ROUND WORLD

What ONE Ministry took last year

HOME OFFICE staff have spent more than £800,000 on taxi fares in the past year – clocking up enough chauffeur-driven miles to travel 17 times around the globe.

The statistic, forced out of

embarrassed Ministers by a Commons question, was seized upon as 'the very embodiment'

of spiralling government waste. Earlier this year the Home Office was accused by the public spending watchdog, the National Audit Office, of showing 'casual disregard' for
